

ABOUT US

The SKE Group is composed of three subsidiary companies (SKE Support Services GmbH, SKE Technical Services GmbH, and SKE Srl) that belong under the umbrella of VINCI Energies Deutschland Building Solutions GmbH. Over the past 31 years, SKE has created a vast portfolio managing and executing various Design-Build (DB) and Design-Bid-Build (DBB) horizontal and vertical construction projects involving multiple construction trades and facility maintenance service contracts for US Department of Defense and international organizations throughout Europe and Africa. SKE is home to over +250 employees and is currently operating in Germany, Belgium, the Netherlands, Spain, Italy, Poland, Estonia, Romania, Bulgaria, and Djibouti, Africa. In addition, SKE holds active US Department of Defense contracts to perform various construction services in Lithuania, Latvia, and Hungary. As the old saying goes, "The Sky is the Limit!" SKE is ready to take on the toughest challenges — Anywhere! Anytime!
