CAREER

Your career at SKE. Shaping the future together.

Your personality is important to us. We are therefore looking for employees whose human characteristics are just as important as their professional knowledge.

We support you in your personal career planning and address your individual needs. With childcare allowances, flexible working hours, a company pension scheme and other benefits, we ensure a healthy work-life balance.

On the following link, you can find out more about vacancies, career opportunities. We are looking forward to getting to know you and accompanying you on your career path.
